Sentence Stayed Till Heating Plant Scheme Can Be Looked Into.

Justice Davis in the Supreme Court, Criminal Term, granted a delay of sen-tence yesterday to Dr. Richard C. Flower, who two weeks ago pleaded guilty to grand larceny. He is in the Tombs, but several creditors whom he admits swindling about eleven years ago are trying to get some of their money back.

William F. S. Hart, representing some of those swindled, had a conference with Flower in the District Attorney's office yesterday. Later it was said that some of his friends are interested in a heating system that Flower was exploiting in Toronto, Canada, at the time of his arrest. The Stock Exchange yesterday took the stock may be taken by New York capifirst decided step toward a reopening by admitting municipal and State bonds to sented that his victims be paid off.

TRADE REPORTS.

Experts See Optimism but No Great Growth of Trade.

The trade journals report optimism, but no great growth of trade.

Dun's says: "Trade, except for export,

class have also gone straight upward.

Idle accumulated funds have in the last week been actively seeking investment. The course of the bond market since the by foreign buying the nace of industrial by foreign by for tinue to appear at a slow gait, and aside from the stimulus afforded to certain lines by foreign buying the pace of industrial operations is very slow-slower than for

ring countries continue to make for ac-tivity in various lines, the South is plantment from jobbers. However, stocks are not extraordinarily heavy, thanks to a long practised policy of buying for immediate needs."

pointed Albert I. Drayton, president of the Jersey City Trust Company.

Lawyer John M. Enright, counsel for Charles C. Bowmann of New York, one of the largest creditors, said that the firm

THE COFFEE MARKET.

December coffee declined to a new low level yesterday, being offered through the liquidating committee at 5.35 at the forenoon session. At the closing session, however, prices showed substantial improvement, due, it was believed, to the appearance of a fair number of buying orders for new account. Total business for both sessions was 45.500 bags, a considerable part of which embraced December-May switches.

in the pound above prices recorded at the closing on Thursday. Exchange on Paris and Berlin also was somewhat firmer, the former being due to sympathy with the rise in sterling and the latter to a considerable purchasing movement which set in. The rise was not unexpected, as brokers believed on Thursday that the market was oversold and that there was a considerable short interest.

When the exchange market opened there was a rush by the shorts to cover, while uptown commercial houses, which had been staying out of the market waiting for a break, began buying heavily in There was retired vesterday by New 1 per cent.

More Emergency Cash Retired.

CHARGES BY COAL CREDITORS.

Directors of Werthelm Company Accused of Mismanagement.

Charges of mismanagement were made by creditors yesterday against the di-rectors of the L. Wertheim Coal and Coke mand for bonds.

Prices of high grade municipal bonds will reduce next season's cotton area, and the standards of amateur the A. A. U. had been the low, and railroad and industrial bonds of many years.

The best class from two to three points higher than the lowest since the closing.

The creditors' meeting are greated and oats this fail, which will reduce next season's cotton area, and cereal farmers everywhere are preparing the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the best class from two to five points the largest acreage ever known for these of the largest acreage ever known for the largest acreage ever known for the lar losing and this fact, coupled with unseasonably eight warm weather, retards retail trade, which in turn renders reorders negligible at a season when there should be a large mover ago, ment from jobbers. However, the season when there should be a large mover ago.

> the largest creditors, said that the firm instead of being practically solvent had assets of only \$25,000 to \$40,000, with assets of only \$25,00 liabilities of \$450,000.

for both sessions was 45.500 bags, a considerable part of which embraced December-May switches at 55 points difference. At the close quotations were as follows: December, 5.50@5.55; May, 6.05@6.10, July, 6.85@6.90.

The Guaranty Trust Company received from W. H. Osborn, Commissioner of Internal Revenue, yesterday a letter informing the company that the tax of \$1 per March, 5.85@5.90; May, 6.05@6.10, July, 6.85@6.90. 6.85@6.90.

The spot market was quiet with prices for Santos 4s. Cost and freight offers were somewhat firmer on the advance in law will be imposed at the rate of 66.2-3.
